Open Letter to PATHS Affiliates and Customers,

It is with much excitement and joy that we look forward to working with Energetic Science Ministries.

ESM, a not for profit organization, which sponsors the www.energeticforum.com has impressed us with their research and testing of the Zrii drink.

It is no small number of synchronicities that have brought the Chopra Center endorsed Zrii Drink and the Revolutionary Technology of PATHS together.

We believe that many will enjoy a synergistic benefit of Zrii and their PATHS Modules.

We look forward to working with you, and helping you in anyway possible to make your PATHS/Zrii experience abundant!

Luke Kibler
4-Star Executive

P.S. It is our understanding that ESM is working with PATHS to develop a free PATHS Module for their Customers that will optimize their benefits of drinking Zrii. How Exciting!
